

0.25 Carat Engraved Bridal Ring Set in 14K Yellow Gold

An elegant floral motif gives this 0.25 carat engraved bridal ring set in 14K yellow gold a sense of sophisticated feminine style. Calling to mind an open lily, this design is meticulously engraved into the outer surfaces of both pieces in this bridal ring set and is offset by petite milgrain edges. A quarter carat round diamond adds sparkle to this warm, shining 14K yellow gold pair as it is held to the engagement ring by a secure four-prong setting. A 0.25 carat diamond set in a floral engraved design 14K yellow gold band. Also available in 14K Rose Gold, 14K Yellow Gold or Platinum and 1 Carat by request.
